Home, Building & Interior Week

Tokyo Big Sight East Halls 1-5

Exhibitors: 850 companies and organizations

Number of Booths: 1,550 Estimated Attendance: 35,000

Home, Building

Japan Home & Building Show 2015

The Japan Home & Building Show features exhibitions by specialists in materials, parts, and equipment for everything from detached dwellings to apartment buildings. On display are building materials; residential equipment; and items related to design—computer-aided (CAD) other—and exteriors.

Only JAPANTEX Can Offer Such Diverse Sponsor Projects.

Seminars are now a major part of the show. Numerous business-oriented seminars and events are planned to provide opportunities for display and trend presentations.

Theme Interior Essence “Chic & Now” — The Really Important Things are here. —

Theme Booths

Theme-zone exhibits linked to the overall show theme.

Interior design talk sessions and seminars

Numerous projects for business-applicable seminars and talk sessions with leading creative designers.

Business Partnerships

Venues provided for business expansion among exhibitors.

Presentation Time

At the seminar venue, exhibitors introduce visitors to their recommended and new products and to their companies and technologies.

Challenge Booth

At less than half the ordinary rate, these booths are recommended for firms on a tight budget who do not require a large space.

◆ Why a Joint Exhibition?

Getting a stronger message across to related industries

The Japan Home & Building Show targeted the housing and architectural industries while JAPANTEX concentrated on interior. Combining the two strengthens the message they convey to a wider field.

Benefit of Visitors

Holding the two jointly means they cover unsupported area of each other and provide visitors with a full line of products from housing structural components to interior design materials.

Benefit of Exhibitors

Simultaneously holding exhibitions targeting related industries facilitates acquisition of new clients and increases business negotiations by attracting about 35 thousand specialists in housing, architecture, and interior design.

Advantages of Exhibiting in JAPANTEX

Advantage

1 Popular among Representatives of Many Fields

Huge numbers of people from the interior-design, domestic-architecture, and general- architectural fields attend. Because it is very popular with highly qualified architects, interior coordinators, interior planners and window treatment planners, the show provides excellent opportunities to get to know the latest in interior trends and current design ideas for pleasing spaces. Numerous talk shows by top creative artists and seminars of great business value too are drawing cards.

Advantage

2 Business Expansion

Visitors are highly satisfied with the way business partnerships and exhibitor presentations promote acquisition of new client, business expansion, and commercial-PR vitalization.

○ How do you evaluate the effectiveness of exhibiting in this year's show?

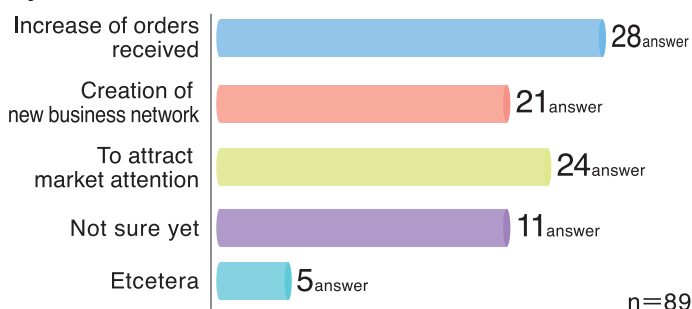

Advantage

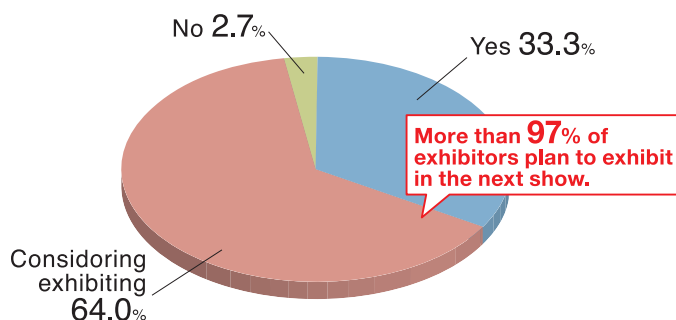

3 Provides Chances for New Network Building

Because it attracts a whole new level of visitors, holding JAPANTEX and the Japan Home and Building Show together contributes to the creation of broader business networks extending beyond the field of interiors.

○ How do you think participation in this year's show will affect your future business transactions?

○ Would you like to exhibit your Products in JAPANTEX 2015?
